

### [Family and Personal Preparedness](#)

The most important thing that you can do is to be prepared before a disaster occurs. This includes being informed about the potential emergencies that will affect you as a Newtown resident and knowing what to do when a disaster occurs. It is critical that you and your family have a disaster plan and an emergency supplies kit.

For information on how you can become more prepared, please visit [Ready.gov](http://Ready.gov). This website will provide you will information on how to make a personal preparedness plan and kit.
