POLICIES

RESIDENCY-DEFINED: A person whose primary residence, either as an owner or renter, is considered a Newtown resident. (No exceptions to this rule.) Proof of residency is required.

NON-RESIDENT POLICY

- ⇒ Non-resident registrations will be accepted at the beginning of registration, however there are limited spots.
- ⇒ Not all programs allow for non-resident participation.
- ⇒ Non-residents will be required to pay an additional \$10.00 per program.
- ⇒ Non-residents may participate in bus trips.

DO NOT WAIT UNTIL THE LAST MINUTE!!

Nothing spoils a good program quicker than everyone waiting until the last minute to register. If there are not enough registrations by a certain date, the program may be canceled. Coming in on the day the program begins won't resurrect it, so please register early.

REFUND POLICY

All programs are self-supporting and a commitment needs to be made to instructors and staff. Therefore, NO REFUNDS will be given after the start of a program EXCEPT for medical reasons, upon receipt of a physician's note. Communication to Parks and Recreation at onset of the condition is required. Refunds for cancellations made within one week prior to the start of a program are issued, but a \$10 processing fee will be charged.

CANCELATION POLICY

Programs held at the Newtown Schools follow the school schedule, therefore, if schools are closed or canceled Parks & Recreation programs at the schools will be canceled. Programs held at the Newtown Teen Center, Newtown Youth Academy or an off site location do not always follow the school schedule. In the event of inclement weather or other factors beyond our control, programs may need to be canceled. If program(s) are canceled make up sessions will be offered. If you cannot attend the makeup session no refunds will be given. Please sign up for our automatic cancellation notices on our website www.newtown-ct.gov or call our cancellation number 203-270-4340 and press 1.

IMPORTANT NOTES

- ⇒ All Parks and Recreation programs are on a first-come, first served basis.
- ⇒ Parks and Recreation does not send confirmations. No news is good news! Please assume you are registered for the program(s) you have selected. You will be contacted only if there is a problem.
- ⇒ Parks and Recreation cannot be responsible for loss of mail or postal delays.
- ⇒ Program participants are reminded NOT TO PARK IN FIRE LANES, per order of the Fire Marshall. Fire lanes are those areas in front of each school which are painted yellow.
- ⇒ When participating in a program at the Teen Center please park in front of the Teen Center ONLY. Do not park in front of businesses.
- ⇒ Program participants must enter and exit buildings through designated, secure locations.
- ⇒ Sign up to receive our recreation brochure and recreation cancellations at www.newtown-ct.gov. Scroll to the bottom of the web page and click on email subscriber and follow instructions. Or call 203-270-4340 ext. 1 for cancellations or ext. 2 and leave a message.
- ⇒ The Newtown Parks & Recreation Commission meets the second Tuesday of each month. Public input is welcomed at these meetings.
- ⇒ If a participant displays unruly behavior, he / she will be asked to leave the program and NO refund will be given.

INCLUSION STATEMENT

In an effort to meet the recreational needs of all residents of Newtown, the Parks & Recreation Department has adopted a policy of inclusion. Although some facilities are not yet wheelchair accessible every attempt will be made to accommodate and encourage people with disabilities to participate in our programs. Please use comment section on the registration form detailing your circumstances.

PHOTO RELEASE

The Newtown Parks and Recreation Department may videotape or take photographs of participants enrolled in recreation activities/programs. These photos and/or videotapes may be used for promotional purposes.

TEEN ADVENTURE CAMP

The key word for this five week camp will be "FUN". It promises to be an exciting summer experience, filled with great trips. Our Site Director, JT Thomas, is returning for another fun summer. Also returning are counselors Laura Thomas, Jordan Simmonds and Ray Irrera.

This all inclusive camp fee includes admission and transportation for all trips/adventures, a draw string backpack and a t-shirt which must be worn everyday. If a camper continually displays unruly behavior, he/she will be asked to leave camp and no refund will be given. Please have camper bring spending money everyday. Lunch will be provided on some trips.

UK INTERNATIONAL SOCCER CAMPS

UK Classic Community Camp- (4-16 years) The true "community camp" aimed at the recreational and developmental player. The program is offered to all players within your community with the themes of safety, learning, and enjoyment consistent through all age curriculum. The camp is split into the following appropriate levels: Fun in the Sun: (4-6 years) Fun, exciting games to build confidence and teach fundamentals. Within this curriculum players will cover ball familiarization, small group dynamics, coordination skills and social interaction, all with maximum participation in a fun oriented environment. These curriculum also cover, "The UK Quiz," an introduction to the rules of soccer, and small-sided games (3v3). Skills 'n' Thrills (7-12 years) Technical development & skills building in a stimulating environment. Players will be challenged to consider basic tactical components at an age appropriate level, including attacking and defending principles. Over the week, players will be self assessed using standardized National Soccer Tests focusing on the technical aspects of the game, along with the "UK Quiz," and World Cup Competition (6v6). Compete With Your Feet (10-16 years) Challenging game related situations are utilized to develop a player's technical ability and tactical knowledge. To ensure a more rounded learning experience, players will cover sports and health lectures, which address topics such as nutrition, flexibility, strength, and fitness for soccer. Players will receive an individual evaluation highlighting specific strengths and areas for improvement.

BRITISH MULTI SPORT

Our Sport Stars Program has been developed for children between the ages of 5-11 years old for 3 hours a day. During the Sport Stars camp, children build on their natural enthusiasm for movement, using it to explore and learn about their world. They start to play and work with other children in pairs and small groups. By watching, listening and experimenting with movement and ideas, they develop their skills in movement and their coordination, and enjoy expressing and testing themselves in a variety of situations. Challenger Tag Rugby: Tag rugby is a non-contact, fast moving game that is suitable for children of all ages and for boys and girls to play together. It's safe, non-contact nature, combined with the fun and liveliness of the sport, means that tag rugby is now one of the most popular sports in the UK. Challenger Cricket: Kwik cricket is a form of cricket adapted for young children, to encourage them to get involved in the sport. It is played with a plastic ball and bat for safety reasons, and plastic cones mark the margins of the play area. Soccer: Soccer is the most participated sport in the world, players are encouraged to develop their individual skills with the ball at your feet. Our soccer camp program develops both the technical and tactical elements of an individual and team concepts. Challenger Rounders: Rounders is an exciting batting and fielding game where the aim is to hit the ball and run around 4 bases to get a "rounder". It can be played by children of all ages ranges and abilities, and is currently the most popular sport for High School girls in Great Britain. Challenger Kick Ball: Kickball uses the basic rules of softball and baseball: four bases to run, three chances to kick the ball and three outs to an inning. Challenger Netball: Netball is an international sport, played by two teams of seven players and based on throwing and catching. Netball combines hand eye coordination, passing and movement, and also playing as part of a team. www.challengersports.com. We are Challenger a total Sports Company.

FIRST PLAY GOLF

The great thing about First Play Golf Camp is that it makes golf fun. Players will learn all the specialized skills within the game, all the while keeping the sessions active and maintaining a child's interest throughout. Children will experience greater success by using larger golf balls and oversized golf club heads; enabling children to strike the golf ball more easily and consistently. They will also receive personalized attention from our coaches, who will be able to guide them and improve the children's techniques in an active and energetic environment. Through the exciting games and challenges they will encounter during the week, a child will increase in confidence and develop a positive attitude towards the game. All programs will emphasize the rules of the golf, and teach the children how to play in a safe environment while being respectful to others.

Come prepared for a great time! We ask that you send two snacks and a water bottle with each participant to camp. For camps longer than four hours, campers will need to bring a healthy lunch with them. As far as gear to bring, typically running shoes, appropriate clothing and sunscreen is needed, but extra equipment may be required depending on the specific sport camp and region. Ball included with registration and participation in Skyhawks Soccer, Flag Football, Basketball, Volleyball, Mini-Hawk and Multi-Sport camps. We will take all the traditional aspects of Capture the Flag and put a Skyhawks spin on it. Your young athletes will learn strategy in addition to the rules of this game while we incorporate sportsmanship and teamwork into this week long camp.

SHORT GAME SCHOOL GOLF

The short game makes up at least 60 to 70 percent of the shots in a given round of golf. Yet most people spend very little time practicing their short game or learning proper technique. This program will include work with pitch shots (full, partial, lob or flop shots, uneven lies), sand play (greenside bunker shots, medium and long bunker shots, uneven lies, firm v. soft sand, different club selection, buried lies and fried eggs) and more. The Golf Quest facility has a large putting green with chipping areas, a pitching green with both artificial and natural grass hitting areas, a greenside bunker and a fairway bunker. The newly constructed natural grass hitting area is ideal for practicing pitch shots from fairway lies, from the deep rough, as well as a variety of uphill, downhill, and side hill lies. There is a maximum of 6 people per class so that students will receive more individual attention.

LADY HAWKS BASKETBALL

LEAGUE

Girls Summer Basketball League. Scott Larsen is back as league director. Lady Hawks is a girls only basketball league open to ages 9-15. The teams play on Tuesday and Wednesday nights at Dickinson Park Basketball Court. Game times will be 5:30 and 6:30. There are no practices, no playoffs, no pressure, only games and lots of fun. Do not worry if you are not able to make a particular night or week, this is summer and everyone has other plans. We will have referees, score keeping and mixed age teams. This year as an added bonus, we are planning a third night of open pick-up games without coaching. On pick-up night which will either be Thursday or Friday, the players choose teams and scrimmage. There will be a referee, but no coaches on pick-up night.

BELIEVE WE CAN BASKETBALL I

Campers may enroll for one or both sessions. New learning will take place in both sessions. The camp will provide: development of basketball fundamentals and competitive games, daily contests, prizes and give-aways for each camper, award ceremony on final day of camp and a fun filled week where each camper goes home with something. Participants will be competitively split up into age, gender and ability groups to challenge their potential. From the beginner to advanced player, this week of camp is designed to meet the camper at their level and challenge each individual to become the best player possible. With strategies to develop the all-around player, the staff works hard to be sure there is a positive, upbeat and energetic climate for making the most out of the camp experience. Fundamentals are the focus. All aspects of game are explored including offense, defense and foul shooting. Campers will leave with learned moves from the triple threat position, off the dribble and low post and much more!

Specialty Programs

Art/Sewing/Knitting

DRAWING MIXED MEDIA

Join Paint, Draw & More! as we enter our 20th year of teaching children art. We are proud to look back at our 19 years of success as pioneers in children's drawing and art classes. Paint, Draw & More! offers fun camps that allow your child to express their creativity, while we teach them technical skills that help them blossom and build self-esteem through their artistic accomplishments. Our camps are fun, engaging and each project is developed with your child in mind. Each day is comprised of a full day of creating fine art and, some of which may include drawing, painting, mask making, sculpture, bookmaking, cartooning, collage, print-making and group projects. Story telling, music making and movement will also be added as time allows. Activities will take place in and outdoors depending on the weather. Students will explore a variety of mediums and be encouraged to break artistic boundaries and express their creativity in new and exciting ways. A compilation of the week's activities may end up in an art show or small performance for the parents. During our camp session we will have a lunch break and play art and theater games. Camps will run Monday through Friday and are open to a maximum of 10 students per age group, per session. Students may sign up for continuous weeks and not repeat camp activities. The teaching staff is comprised of skilled area artists trained by Paint, Draw & More! Parents please provide lunch, snack and smock for all camps listed below.

GODDESS BELLYDANCING

All women are invited to join in and unlock the mystery and secrets of this ancient feminine dance. Bellydance will guide you in exploring your sensual, powerful and beautiful self and will enable you to embrace the amazing women living within yourself. The movements are simple and gentle on your body, while they tone and build strength and health (by aligning your pelvis and back correctly, and building your core strength). Beautiful movements, divinely inspired music, colorful coin belts and silk scarves(both provided) combine to create a class that will leave you feeling as if you have gone on a vacation to an exotic world.

MBSR PROGRAM

Do you want to live a more engaged and balanced life? There is a way of being and doing that allows you to live life more fully through the practice of mindfulness. Mindfulness is a human quality, a way of learning to pay wise attention to what is happening in the present moment, with non-judgemental awareness. Mindfulness Based Stress Reduction(MBSR) developed by Jon Kabat-Zinn, Ph.D., at the University of Massachusetts Medical Center is an evidence based, structured complementary medicine and wellness program that uses mindfulness as a way of learning to tap into your inner resources, empowering you to respond rather than react to stress, pain and illness. ACTING & SELF-EXPRESSION

Our souls have come here to express themselves, and there are as many different vehicles for that as there are people (maybe more!) From more traditionally "creative" ones, such as art or dance, to those that are not typically seen as creative, such as mathematics or biology, each soul, with it's own unique "flavor" is drawn to a different way, or ways, of expressing. Culturally, however, we are often times taught to focus more on survival and compromise (stemming from Scarcity) and we relinquish our creative drive, much to our own (and everyone else's) detriment. When we can re-commit to our creativity and our self-expression, understanding them as natural, beautiful parts of ourselves, and move through whatever fear or resistance presents itself, we are always happier and more fulfilled, and can therefore offer more, more joyously, to others. In this class, we will explore creativity and self-expression through the vehicle of acting, performance and spoken word (i.e. the "audible" arts!) Working with E. Katherine Kerr's Four Principles of Brilliant Acting (Communication, Commitment, Relaxation and Being Present), students will have the opportunity to learn some powerful tools for acting and performance, explore and deepen their creative commitments, as well as develop greater personal confidence and creativity. Anyone is welcome. whether you are a seasoned actor/performer wishing to learn valuable tools for your work, or you are simply curious about acting and performing and have always wanted to try. This class is also valuable to writers who wish to read their work aloud, or those wishing to feel more confident when speaking in front of others. Just bring your willingness, and something to work on: a monologue, song, story, poem, etc., preferably committed to memory.

WATER: SCIENCE, SPORT & FUN

Explore the Pootatuck Watershed, learn cool stuff and have fun! Each day campers will be dropped off at Dickinson Park, where they will either have a new activity there or will get a bus to go to a different location. The activities will include (but not necessarily be limited to): Bugs and Water Sampling- Campers will collect and identify important bugs from a stream, which can signal how clean the water is. They will then record their results on the forms used by the state to keep track of the health of our watercourses. Campers will also visit a monitoring station and learn how to record pollutant levels and temperature in our streams. Fish-Fly tying/fishing (combined with a walk along the Pootatuck River). Learn all about our native brook trout and threats to them. These activities may occupy 2 days. Investigation- Where does the water go when we flush our toilets or wash our clothes/dishes? Where does our drinking water come from? Where does storm water go once it flows into storm drains? To include a tour of Newtown's water treatment plant and testing of water samples there. Wetland Habitat - The wetlands next to Dickinson Park host a rich variety of wildlife. Each camper will make a bird house from a provided kit, to be installed in the wetlands, and will learn how valuable the wetlands are, what to watch for, and how to protect our wetlands. Campers must wear or bring sturdy shoes and rain gear, as well as bug repellent and sunscreen. Hats are recommended. Parents must agree to check their children for ticks at the end of each day.

DAGORHIR

Enter the world of Dagorhir: A land where imagination is reality, and 'fun' is the law of the land. Dagorhir is a new type of sport that blends creativity and exercise all on the same field. It is a game which requires teamwork, as well as individual skill to succeed. Based off of medieval combat and inspired by Tolkien's The Lord of the Rings, Dagorhir is an exhilarating game that matches participants against one another. Strategic thinking, physical agility and creative capacity for imagination - all while wearing medieval armor, and wielding foam swords, shields and axes! Campers will be greeted on the first day by our counselors, who are engaged in a busy struggle to keep the village safe from 'Morks'. Campers will be guided through a series of exercises to prepare them for camp. The exercises will explain the rules of Dagorhir to ensure maximum safety while enjoying maximum fun. We will only be using gear that has been specifically constructed for our camp, such as swords, axes, shields and spears made entirely out of foam. Campers will get to explore each type of gear, as well as real, historical and fantasy armor to enhance the camp experience. After our introduction, it will be time to scout out, keep the camp safe from Mork, and most importantly, practice together by indulging in our favorite Dagorhir scenarios (two team melee, flag capture, defend the castle and so on). Each camper's skill will progress throughout the week, along with the overarching story. Please bring a lunch and reusable water bottle with plenty of H2O. Cooperation will be encouraged, and every participant is sure to have an enjoyable time in the warm summer sun.

Science Camps

RED HOT ROBOTS

Red Hot Robots is our junior robotics camp where children will investigate robotic fundamentals while building an ingenious robot that they get to keep! Children will explore circuits & electricity, robotic sensors, gears and mechanisms and advanced robotic applications. Students will play with various types of robots while exploring their different capabilities. Are robots just toys? How do they solve today's problems? What creative child will design tomorrow's future robots? In addition to their robot, children will build daily take home projects like mega pinchers, levers and series circuits.

ACTIVITY:

419501 A Monday - Friday, July 14 to July 18

NATURE'S ANATOMY ACADEMY

Learn about insects, birds, beasts and you from the inside out in this action-packed week. Have fun finding and magnifying nature's smallest critters, from fungus to insects. Discover what that night-hunting owl has found for dinner during our owl pellet dissection. Whip up your own Mad Mucus (ew!) and find out about the "basics" of your body. Have some creepy crawly fun building a bughouse and finding tenants! Build a bird feeder to take home with you. Fun take-home projects every day like making your own paper and tie dyeing a tee shirt with natural vegetable dyes!

ACTIVITY:

GOOD VIBRATIONS

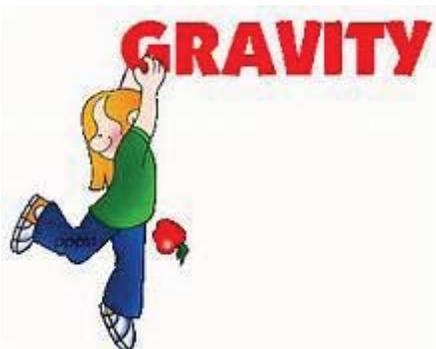

Experiment with forces, motion and energy. Push and pull your way through natural forces such as magnetism, gravity, friction and many more... Make UFO's and launch water rockets. See how we can multiply forces using machines. Experiment with light, sound and electrical energy. Build circuits and an electro-magnet. Change one form of energy into another. Make simple musical instruments.

CAMP OUT IN SPACE

Build your own space station, sundial and a working rocket to keep. Experiment with the forces of motion, gravity and flight to learn what makes balloons, planes and rockets fly. Go into space and explore the planets and stars. Discover the challenges of living in space and why your weight keeps changing on different planets and moons. Sample astronaut food and demonstrate weightlessness. We will see why the Earth's orbit creates seasons and what keeps satellites in orbit.

IT'S TIME TO ROCK

Millions of years is just a short time when it comes to nature. We will learn how the earth continues to change and the continents drift. Grow crystals and see rocks grow. Learning how and what it takes to make rocks and gems. Investigate the dirty facts of the rock cycle, erosion, mountain building and earthquakes. See dinosaurs, dig for fossils and pan for gems. Build a working volcano to take home. Allergies: None of our programs use peanuts or tree nuts.

Newtown Parks and Recreation Day Camp

CAMP HOURS - The regular camp hours are Monday through Friday 9:00 am - 3:00 pm with drop off time beginning at 8:50 am and pick up promptly at 3:00 pm. Please respect the camp hours and make every effort to drop off and pick up your child on time. Early Drop Off is available starting at 8:00 am and Extended Stay until 6:00 pm sharp! If a parent/guardian is extremely late picking up their child, they will be charged a late fee of \$15.00 per day. This fee must be paid in the office the next day. If a parent/guardian is consistently late picking up their child, they will be asked not to bring their child/children back to camp. NO refunds are given for Early Drop Off or Extended Stay, therefore it is requested that careful consideration be given prior to registering. You must register for Extended Stay at the Parks and Recreation office 24 hours in advance, NO phone calls please! If you are picking up your child early, it is extremely important to send a note to the counselor. A child must have a note from a parent/guardian to be allowed to walk or bike home.

RAIN POLICY - Camp will be held under the pavilion in the event of rain. The counselors have rainy day activities planned to keep their groups active and having fun. If there is a thunder and lightning storm the lightning detection system will sound at Treadwell Park. Dickinson Day camp communicates with Treadwell Day Camp. (The lightning detection system at Dickinson Park is not yet operational.) If the lightning continues longer than one-half hour, camp will be canceled and you will have to pick up your child immediately. Sign up for our cancellation notices at www.newtown-ct.gov, then select "subscribe to news". Put in your email and/or cell phone for text messages. This cancellation system will be used to notify you that camp has been closed.

WHAT SHOULD MY CAMPER BRING TO CAMP? - Each day throughout the summer campers should bring the following things in a backpack: Lunch, swim suit, towel, water, drink, sunscreen, hat, fruit, snack and a smile on their face. Campers should wear sneakers every day for safety reasons. This is an outdoor camp with many games involving running around. Please be sure to clearly mark all of your campers' personal belongings with first and last name, this includes towels, lunch bags, water bottles etc. If by chance your camper does lose something, there will be a lost and found located in the camp shed that you can check all summer long for lost items. Once camp is over lost and found items will be disposed of after two weeks.

If your child will be attending the PM extended day program until 6:00 pm, we encourage you to send them with an extra snack & water each day.

THINGS NOT TO BRING TO CAMP!!! - Campers are encouraged to keep personal items and valuables at home. NO video games, CD players, iPod, MP3, iPad players, cell phones, skateboards, trading cards or anything that is valuable. We cannot be responsible for these items, and it is easier if they were kept home. Additional items which are not permitted at camp are water guns, any sharp objects or weapons, gum or glass bottles.

MEDICATION - Please notify the Parks and Recreation Office, Site Directors and Counselors in writing if your child takes medication or has any allergies (i.e. food, bees, nuts, etc.). Counselors will not administer allergy shots, insulin, Epi Pens or medication of any kind. However, they will supervise any child that needs to self-medicate. Please note that Counselors are not allowed to remove ticks. You will be contacted if a tick is found on your child during camp.

BEHAVIOR - If a counselor is experiencing a behavior problem with a child, the parents will be called. If the problem continues, the parents will be asked to remove the child from camp. REFUNDS will not be given if a child is asked to leave camp.

SUNSCREEN POLICY - We ask that you apply the appropriate SPF sunscreen protection to your child/children before they head off to camp. Please include sunscreen protection with your camper's pack. We recommend that your child/children apply their sunscreen throughout the day. We will remind all campers to reapply their sunscreen. We will offer assistance or guidance with the sunscreen application. If your child/children forget their sunscreen protection, we have 30 SPF sunscreen if needed. We don't recommend that our counselors apply sunscreen. If your child needs help in applying sunscreen, please fill out permission/release form and give to your counselor, this includes bug spray application.

LUNCH AND SNACKS - We cannot stress enough the importance of keeping the children hydrated throughout the summer hot days. Please send your camper with plenty of liquids (especially water)! Also have campers bring their own lunch and snack every day labeled with their first and last name. We have refrigeration on site to store lunches. Campers should also pack plenty of snacks, especially if they are in the PM extended day program. If your child needs assistance with lunch/snack please let your counselor know.

DROP OFF & PICK UP PROCEDURES - As you will come to find out pick up and drop off time can become congested. It is important that you remain in your car while picking up or dropping off your child/children. Traffic becomes even more congested when people decide to leave their car in the middle of the lane. IF YOU PLAN ON GETTING OUT, please park in the parking spaces either by the tennis courts or by the pool and walk your child/children to his/her counselor. Your child's camp counselor will come to your vehicle to greet your child or bring your child to you. Please swiftly sign your child in/out and proceed in line towards the park exit. Please remember that the park is open to the general public while Summer Day Camp is in progress and traffic can be congested. Patience is required!

Newtown Parks and Recreation Day Camp - continued

DAILY SIGN IN & SIGN OUT POLICY - Each day during the summer parents/guardians will be required to sign their child/children in and out of the camp program. The counselor's in your child's group will be required to have you sign in and out each day. If you going to have someone other than yourself pick up your child, you are required to fill out a permission form with the Site Director 24 hours in advance. Our staff will not let your child go home with anyone except yourself or any persons specified on your child's camp registration form unless it is in writing ahead of time. If you are going to have someone assist you in picking up your child/children please make sure you fill out a form with your child's counselor. We also ask for the person to show a picture ID before releasing your child/children.

CAMP RULES - Treat fellow campers and counselors with respect. You must listen to your counselor at all times. Keep your hands to yourself. No kicking, biting, hitting, throwing objects. If you should have a problem tell your counselors immediately. Stay with your group at all times. Swearing and other inappropriate language is not allowed in camp. Clean up after yourself. Pick up any trash and make sure you clean your table after lunch. RESPECT other people's property. This means no touching or taking other items or food that does not belong to you. Fighting is not allowed at camp and is grounds for suspension from the program (no refunds will be given). Leave all personal items at home. No toys, radios, gum, electronic games, etc. (Anything lost, stolen or broken is not the responsibility of the camp, leave valuables at home.) DO NOT bring any glass, sharp or potentially dangerous objects to camp! SAFETY FIRST. RULES ARE MADE FOR THE SAFETY OF THE GROUP. HAVE FUN!

Questions or concerns should be brought to the attention of the Site Director immediately. Do not hesitate to contact us.

- ⇒ Each child will receive a camper T-shirt, which must be worn on all field trips. This allows for easier identification of our groups when in large crowds.
- ⇒ Transportation to and from the program is the responsibility of the parents.
- ⇒ Swim Lessons will only be given at Treadwell Park, weather permitting. Please shower before entering the pool. Skateboard lessons will only be given at Dickinson Park. Water slide will be at Dickinson Park three times a week.

REFUND POLICY FOR DAY CAMP: Refunds, less a \$10.00 refund fee, will be given if notification is received in the office **one week** prior to the start of a session. Once the session starts, **NO** refunds will be given. Therefore, it is requested that careful consideration be given prior to registering for day camp.

PLEASE KEEP OUR PARKS AND PATRONS SAFE.

Drive slowly in parking lot lanes to react to changing conditions, like a car backing out of a space or a child running into the lane from between cars. If your walking in the parking lot, stay to the sides of the lane and stay alert to cars that may be entering or leaving parking spaces. Always hold hands of your children.

Please drive slow!

If you must park, please park in a parking space. Please do not block flowing traffic for any reason. Our parks have many uses other than camp and we need to keep the driveway access open at all times.

TREADWELL DAY CAMP

This is going to be our *best summer ever!*

It's time to start making summer plans and this year we are even more excited for camp because we have been making some important improvements to our program- at both Dickinson and Treadwell. Don't worry, we're keeping all the great stuff we already have- swimming, skateboarding, sports, arts and crafts, capture the flag and of course, all of our awesome counselors and staff.

For our second year we have decided to continue to do even more.

- We are working on our schedule and curriculum to make this summer's camp experience even more supportive, inclusive, safe and fun.
- We are infusing new activities to our camp program that will help promote self-esteem, making friends, communication, and resilience.
- We are investing in advanced skill training for all of our staff, making them even more child-centered and skilled in making a positive impact on their campers. By the way, we have returning staff from last year which speaks to how much our staff loves working at camp and with your children.
- We have security and safety protocols.

Camp is part of the heartbeat of our community in the summer and we want to see as many of our families and children involved as possible. This summer, more than ever, we want our camps to be a place for your children to feel safe, run, sing, laugh, and grow.

Sign up for camp and join us in making this the *best summer ever!*

There will be a link on our website for all of the exciting special events and trips we have planned!

DICKINSON DAY CAMP

This is going to be our *best summer ever!*

It's time to start making summer plans and this year we are even more excited for camp because we have been making some important improvements to our program- at both Dickinson and Treadwell. Don't worry, we're keeping all the great stuff we already have- swimming, skateboarding, sports, arts and crafts, capture the flag and of course, all of our awesome counselors and staff.

For our second year we have decided to continue to do even more.

- We are working on our schedule and curriculum to make this summer's camp experience even more supportive, inclusive, safe and fun.
- We are infusing new activities to our camp program that will help promote self-esteem, making friends, communication, and resilience.
- We are investing in advanced skill training for all of our staff, making them even more child-centered and skilled in making a positive impact on their campers. By the way, we have returning staff from last year which speaks to how much our staff loves working at camp and with your children.
- We have security and safety protocols.

Camp is part of the heartbeat of our community in the summer and we want to see as many of our families and children involved as possible. This summer, more than ever, we want our camps to be a place for your children to feel safe, run, sing, laugh, and grow.

Sign up for camp and join us in making this the *best summer ever!*

There will be a link on our website for all of the exciting special events and trips we have planned!
